ABOUT ZIGGURAT and XTIRE, INC.

The ZIGGURAT Product Line derived its name from the "ziggurats" ... those mighty constructions of six thousand years ago. The Tower of Babel and the Pyramids were among these highly significant creations. This type of pyramidal construction has since come to signify solidity and ingenuity. In the tire industry, ZIGGURAT has rapidly become a renowned name for tires, tubes and flaps. We more than live up to our name through our products' exceptional quality and reliability.

ZIGGURAT tires are produced in our state-of-the-art manufacturing plant in Qingdao, China which is **ISO9001** Certified.

The International Sales Center for XTIRE, Inc. is located in the USA.
